presents an efficient method for reading body language in first encounters daily encounters and even watching the news explaining how the messages and emotions that people are really sending can be spotted and interpreted

these easy to read progressive exercises by joanne martin develop a student s reading skills one stage at a time with many repetitions at each stage i can read music is designed as a first note reading book for students of string instruments who have learned to play using an aural approach such as the suzuki method or for traditionally taught students who need extra note reading practice its presentation of new ideas is clear enough that it can be used daily at home by quite young children and their parents with the teacher checking progress every week or two

a picture may be worth a thousand words but a few choice words can speak volumes if ignorance is bliss why aren t more people happy bottled water is for suckers clones are people too at least the war on the environment is going well don t believe everything you think the revolution will be tweeted long before blogs tweets and sound bites people were telling the world how they felt in brief blunt bursts of information plastered on the backs of their cars whether they re political or religious passionate or proud controversial or corny these brightly colored boldly lettered mini manifestos are declarations of who we are where we stand and what we d rather be doing but as bestselling author and noted philosopher jack bowen reveals there s much more to the pop culture phenomenon of bumper stickers than rolling one liners and drive by propaganda no less in fact than a wise funny poignant contentious and truthful discourse on the human condition mixing pop culture with the ideas of historically prominent philosophers and scientists if you can read this exposes the deeper wisdom couched

behind these slogans or as need be exposes where they have gone wrong if you brake for big ideas now s the time

reading however fundamental the task may seem to everyday life is a complex process that takes years to master yet learning to read in the early stages is not an overwhelming problem for most children especially when their classroom learning is coupled with a nurturing home environment in which reading is cherished and pencil and paper are always available and fun to use in fact studies have shown that children score higher in reading if their parents support and encourage them at home unfortunately though many parents want to involve themselves actively in their children s education very few know just what to do now dr harvey s wiener author of the classic any child can write provides an indispensable guide for parents who want to help their children enter the magic realm of words in any child can read better second edition dr wiener offers practical advice on how to help children make their way through the maze of assignments and exercises related to classroom reading in this essential book parents learn how to be reading helpers without replacing or superseding the teacher by supporting a child s reading habits and sharing the pleasures of fiction poetry and prose home learning parents also will find a wealth of information here through comfortable conversation and enjoyable exercises that tap children s native abilities parents can help their child practice the critical thinking and reading skills that guarantee success in the classroom and beyond for example dr wiener explains how exercises such as prereading warm ups like creating word maps a visual scheme that represents words and ideas as shapes and connects them will allow youngsters to create a visual format and context before they begin reading he shows how pictures from a birthday party can be used to create patterns of meaning by arranging them chronologically to allow the party s story to emerge or how they might be arranged by order of importance a picture of beth standing at the door waiting for her friends to arrive could be displayed first beth blowing out the birthday cake placed toward the middle of the arrangement and the pictures of beth opening her gifts especially the skates she s been begging for all year would surely go toward the end of the sequence dr wiener shows how these activities and many others such as writing games categorizing toys or clothes or favorite foods and reading journals will help children draw meaning out of written material this second edition includes a new chapter describing the benefits of encouraging children to keep a journal of their personal reactions to books the value of writing in the

books they own underlining writing in the margins and making a personal index and a variety of reading activities to help children interact with writers and their books dr wiener has also expanded and updated his fascinating discussion of recommended books for children of all ages complete with plot summaries written in simple accessible prose any child can read better offers sensible advice for busy parents concerned with their children s education

these easy to read progressive exercises by joanne martin develop a student s reading skills one stage at a time with many repetitions at each stage i can read music is designed as a first note reading book for students of string instruments who have learned to play using an aural approach such as the suzuki method or for traditionally taught students who need extra note reading practice its presentation of new ideas is clear enough that it can be used daily at home by quite young children and their parents with the teacher checking progress every week or two

alex andrews is a 7 year old little boy who struggles with his reading alex learns that he is not the only child in his class that is having problems with their reading alex begins to regain his confidence and in doing so he faces his problem and finds that he does have the ability to read well in front of his class alex andrews i can read now is an educational and inspirational story that is still fun a young child who is struggling with an obstacle especially a schoolwork related problem might find a role model in alex andrews a parent might enjoy reading alex andrews i can read now with a child to set the stage for a discussion about how to overcome a difficulty by setting a goal and working hard to achieve it

in answer to the perennial question what else should i read these innovative resources go beyond linear listings of suggestions to help students find books through a variety of directions including subject author and genre each guide contains approximately 30 displayable bookwebs that can be used as posters with reproducible bookmarks that list related titles and fit into pockets on the posters each web leads users to 8 to 14 related topics that have lists of relevant books with their authors and brief lc descriptions detailed author title and subject indexes make further exploration easy hundreds of the best fiction books for young readers titles commonly found in school
