from its earliest inhabitants up to the beginnings of stewart rule scotland a very peculiar history volume 1 is a lively and informative account of the chequered or rather tartaned history of scotland detailing grisly clan wars and the many mythical creatures to look out for while you re out in the wild this ebook gives an objective account of the nation s history with no added haggis focussing on the more weird and wonderful aspects of scottish history such as forgotten towns and mysterious runes it celebrates how scotland came to be and includes fact boxes quotes poetry excerpts and recipes you wouldn t believe

politics in scotland is an authoritative introduction to the contemporary political landscape in scotland and an essential text for undergraduate and postgraduate students of scottish politics written by leading experts in the field it is coherently organised to provide a clear and comprehensive overview of a range of themes in contemporary scottish politics key topics include government and electoral behaviour representation and political parties in scotland public policy and scotland s relationship with the rest of the world scottish politics both in the run up to and after the 2014 referendum the future of scottish government and politics this textbook will be essential reading for students of scottish politics british politics devolution government and policy

emblems in the visual arts use motifs which have meanings and in emblems in scotland michael bath leading authority on renaissance emblem books shows how such symbolic motifs address major historical issues of anglo scottish relations the reformation of the church and the union of the crowns emblems are enigmas and successive chapters ask for instance why does a late medieval rood screen show a jester at the crucifixion why did elizabeth i send mary queen of scots tapestries showing the power of women to

build a feminist city of god why did a presbyterian minister of stirling decorate his manse with hieroglyphics and why in the twentieth century did ian hamilton finlay publish a collection of heroic emblems

this is the first book length study of the history of working class courtship and marriage in scotland from the establishment of civil registration to the introduction in 1939 of legislation which abolished irregular marriage and introduced civil marriage adopting a life course approach the book explores the social economic and cultural contexts of romantic partnerships from courtship through to marital or family dissolution drawing from a wide range of sources that capture official accounts and discourses on the one hand and the testimony and experience of working class people on the other the book offers a uniquely broad and textured view of courtship and marriage in this period in so doing it advances recent historiographical debates surrounding marriage in the anglophone world particularly the mutability of love and whether the late nineteenth and early twentieth centuries constituted a social and cultural turning point for the working classes in terms of choice of marriage partner the nature of the marital relationship and the parent child relationship the book also engages with debates about extra marital sexual activity in the nineteenth and early twentieth centuries whether the family was more or less stable than the contemporary family and the different ways that marriages broke down before the advent of divorce reform this has important implications for wider european and north american historiography and raises timely questions about the primacy of the traditional family in policy and public discourse

scotland faces its biggest choice since the 1707 union that made the united kingdom should scotland be an independent country the yes and no campaigns are well under way but with the vote looming closer the information available to the public is still limited what will happen after the referendum what are the international implications what about the uk s nuclear deterrant currently housed in scotland what happens if the vote is no is it even clear what independence will mean what about the oil what will the currency be what will happen to the old age pension pot if the uk splits scotland s choices now fully revised for the critical last few months before the referendum does just that written by one former civil servant one academic and one think tanker one a resident scot one a scot living in england and one an englishman the authors clearly explain the issues you may not have considered and detail how each of the options would be put into place after the referendum

this book argues that the first scottish enlightenment was championed by minority groups traditionally assumed to have been backward looking and conservative jacobites episcopalians and catholics and that it resulted in a dramatic transformation of how scots understood their history

in recent years the reduction of alcohol related harm has emerged as a major policy issue across europe public health advocates supported by the world health organisation

have challenged an approach that targets problem drinking individuals calling instead for governments to control consumption across whole populations through a combination of pricing strategies restrictions on retail availability and marketing regulations alcohol power and public health explores the emergence of the public health perspective on alcohol policy in europe the strategies alcohol control policy advocates have adopted and the challenges they have faced in the political context of both individual states and the european union the book provides a historical perspective on the development of alcohol policy in europe using four case studies denmark england scotland and ireland it explores the relationship between evidence values and power in a key area of political decision making and considers what conditions create or prevent policy change the case studies raise questions as to who sets policy agendas how social problems are framed and defined and how governments can balance public health promotion against both commercial interests and established cultural practices this book will be of interest to academics and researchers in policy studies public health social science and european union studies

the scots said a censorious english member of parliament in 1607 have not suffered above two kings to die in their beds these two hundred years he may have exaggerated but undeniably scotland has had a rough and bloodstained history it is a complex one too but the late fitzroy maclean and magnus linklater disentangle the threads and enliven their brisk account with both wit and scholarship pictures from authentic contemporary sources illuminate the story its romantic figures and bloody battles its politics and religion and provide a record of scotlands art craftsmanship and intellectual life in this revised edition of this classic work magnus linklater brings the story of scotland right up to date examining how the scots identity is faring since the momentous scottish referendum of 2014 and discussing the fate of the united kingdom

the encyclopedia of library and information science provides an outstanding resource in 33 published volumes with 2 helpful indexes this thorough reference set written by 1300 eminent international experts offers librarians information computer scientists bibliographers documentalists systems analysts and students convenient access to the techniques and tools of both library and information science impeccably researched cross referenced alphabetized by subject and generously illustrated the encyclopedia of library and information science integrates the essential theoretical and practical information accumulating in this rapidly growing field
