an exploration of mythological and archaeological evidence for prehistoric giants examines the many corresponding giant mythologies throughout the world such as the greek and roman titans norse frost giants and the biblical nephilim reveals recent finds of giant skeletons in the deserts of saudi arabia and india explains how giants passed on their sophisticated culture and civilization to humanity before being wiped out in the great age of cataclysms and floods giants are a cornerstone of the myths legends and traditions of almost every culture on earth stories of giants are often considered fantasies of the ancients or primitive attempts to explain natural phenomena but archaeological discoveries of 10 and 12 foot skeletons many of which have been suppressed confirm the existence of a forgotten golden age of giants before recorded history patrick chouinard examines the staggering number of corresponding giant mythologies throughout the world such as the greek and roman titans norse frost giants the hindu daityas the biblical nephilim the celtic formorach the sumerian anunnaki and the multitude of myths in which the sky or world is held aloft on the shoulders of a giant he links these stories to atlantis as well as other legends of prehistoric civilizations lost to cataclysm and great floods whose survivors spawned the rise of ancient civilizations the author reveals how physical remains of giant size peoples have been found on almost every continent including recent finds in the deserts of saudi arabia afghanistan and northern india as well as hundreds of excavations of giant mummies and skeletons across the united states corresponding directly with native american accounts of red haired giants he also examines reports from famous explorers such as magellan sir francis drake and desoto of their encounters with giants on the north american continent revealing how giants represent the true earthborn race chouinard explains how they engaged in open conflict with the extraterrestrial gods who created humanity for forced labor and how they passed their sophisticated culture and civilization on to humanity before being nearly wiped out in the great age of cataclysms

divdivthere is a hunger for conspiracy news in america hundreds of internet websites magazines newsletters even entire publishing houses disseminate information on invisible enemies and their secret activities subversions and coverups those who suspect conspiracies behind events in the news the crash of twa flight 800 the death of marilyn monroe join generations of americans from the colonial period to the present day who have entertained visions of vast plots in this enthralling book robert goldberg focuses on five major conspiracy theories of the past half century examining how they became widely popular in the united states and why they have remained so in the post world war ii decades conspiracy theories have become more numerous more commonly believed and more deeply embedded in our culture goldberg contends he investigates conspiracy theories regarding the roswell ufo incident the communist threat the rise of the antichrist the assassination of president john kennedy and the jewish plot against black america in each case taking historical social and political environments into account conspiracy theories are not merely the products of a lunatic fringe the author shows rather paranoid rhetoric and thinking are disturbingly central in america today with media validation and dissemination of conspiracy ideas and federal government behavior that damages public confidence and faith the ground is fertile for conspiracy thinking div div

satan has figured in film since the very birth of cinema the satanic screen documents all of satan s cinematic incarnations covering not only the horror genre but also a whole range of sub genres including hardcore porn mondo and underground film heavily illustrated with rare still photographs posters and arcana the book investigates the perennial symbiotic interplay between satanic cinema and leading occultists making it essential reading for anyone interested in the black arts and their continuing representation in populist culture revised and updated since its first acclaimed publication in 2001 schreck s study of the diabolical in film has since become a widely referenced standard work on the subject enriched by schreck s own personal engagement with magic and spiritual practice which provides cineastes and sorcerers alike a veritable encyclopedia satanica of one of the oldest and most culturally profound genres in motion picture history

yahweh the lord god and his son yahshuah jesus christ made statements with regard to eschatology that have been spiritualized for over a millennium which has led to the belief in universalism the belief that yahshuah died for everyone well after one studies the original languages of the hebrew aramaic and greek the message of the kingdom of god was preached to and accepted by a certain house in the bible the other house rejected this message and yahshuah punished that house by taking the kingdom away from them and giving it to another nation bringing forth fruit there are only the house of israel the house of judah and the house of david mentioned in the bible all three existed then as they do today however most of today s babylonian priesthood churchianity refuses to accept the secular historical position with regard to the house of israel and who they are today the people groups which yahweh and yahshuah addressed still exist today however these people are all mixed up and known by different names but they do exist this book goes back to the origin of these people groups in the bible and brings them forward to the present using their old names in order to understand eschatology this brings us to the major question of is the bible only about israel and if so how does it affect our eschatology today this book answers these hard questions
